

COLTS NEWSLETTER

A quiet weekend!

With training and fixtures cancelled across the South East on Sunday thanks to Storm Ciara, it's a short newsletter this week. There will be some fantastic hockey on show this Sunday, when the Men's 1s take on Cardiff University at home. Come along and support, the clubhouse will be open and some great hockey is guaranteed!

Please note - there is no training on Sunday 16th February as it's half term.

Adverse Weather Policy

With Storm Dennis now on its way to the UK, please keep an eye out for any changes to training/fixtures on Sunday. We always try to run training if we can but the safety of players is our paramount concern. Any decision to cancel training will be posted as early as possible on the OCHC Twitter feed, which can also be found on the OCHC website.

Access to OCs on Sunday 23rd February

The Hampton Court Half Marathon will go past both entrances and exits to the club on Sunday 23rd Feb. Following discussions with the race organisers to ensure the safety of all passing runners, please take note of the following:

U12s session - Please enter via Portsmouth Road by 8:30am to avoid the fastest runners who will start passing at 8:38am. You must then leave by the Weston Green football pitches and follow the guidance of the race marshals.

U11s session - Please allow more time when arriving for your session at 10:15am as this is the peak time for runners coming past the club. There will be stop/go marshals restricting cars coming under the bridge, which will create further traffic congestion. Please exit via Weston Green football pitches to avoid any later runners.
