## Beaten by the cold

The cold weather finally got the better of us on Sunday, resulting in us needing to cancel all training but with frozen pitches refusing to defrost, it wasn't safe to play. The U14 boys were fortunate to get a game in over at Teddington, winning 5-1 and in our match reports this week, we also catch up with the U10 girls from their games v Surbiton two weeks ago.

Tickets are now on sale for the new OC Club comedy night, use the OCHC members discount code OCMEMBER2022 when booking.

## U10 Girls Oranges v Surbiton

Coaches and parents were so impressed with how the girls did against some real quality opposition. We entered three teams into a 'mixed' pool. In our mixed groups we definitely held our own across all games and it ended roughly evens. Our top pool teams were super competitive throughout. Our stronger squad drew one, lost two and won two. One of the wins was a brilliant 4-1 demolition! The less strong top group also held their own but narrowly lost (by 1 goal) all but one game... which they drew. Really excited about this group of little legends!

## U14 Boys Oranges v Teddington

Fantastic win for the U14 Boys Oranges against Teddington. The first twenty minutes was the best they have played all season and we were 3-0 up thanks to two great goals from Cooper and an excellent poachers goal by Ben. We lost our shape a bit for the rest of the first half but Fraser made some really good saves. We started the second half slowly and conceded but our heads got back into the game and a great finish by Cooper to make his hattrick followed by an excellent strike by Liam to make it 5-1. There were some fantastic phases of play and we could really mention everyone who played in this debrief. Well played lads!
