A plea for bibs!

With lots of teams playing Wayfarers in the Mega League fixtures on Sunday, it was a busy day for our Juniors, read on to find out how our teams got on. And a plea from our coaches..... **Please ensure your child has their bib with them at every training session and match** (in case the oppo are in similar coloured shirts). It makes grouping players for drills and games SO much easier! If you're new to the club and haven't yet got a bib, please email us.

Coaches will be taking a register at all sessions going forwards so please ensure your child has been registered as they join the session. Thank you.

Time change reminder - U12 Boys move to 12:45-14:00 on Sunday to allow the pitch to be clear by 2pm for an England Hockey Cup game.

NEW Juniors kit in!

This year we're introducing a new Junior Cagoule Jacket in sizes SJ, MJ and LJ. With all this wet weather we know how important it is to keep the children dry and therefore happy whilst they're out there training.

The cagoules have a full zip, zip side pockets, hidden hood in the collar and mesh lining.

Sample sizes will be at the kit desk at the OC clubhouse between 9.30am and 11.30am on Sunday (14th).

CHRISTMAS FREE DELIVERY

If you're looking for the perfect Christmas gift, there are lots of great OCHC goodies, big or small, available to order. Orders placed between Nov 29 - Dec 7 will be available to collect free from the club on 5th and 12th December between 10am and 12pm.

To order – visit www.serious-stuff.com and enter the password OCHC

There's lots of great hockey on at the weekend with a real highlight on Sunday, when two of our teams take on the challenge of England Hockey Cup games. Home team support always makes a big difference and is hugely appreciated!

Latest team news...

U16 Boys v OKs

A highly competitive Tier 2 league match ended in a 0-0 draw. OCs grew into the game and were on top in the second half, albeit with changes at both ends. Some really solid defending and some excellent saves from Jake M in goal, keeping us in the game.

Everyone fought hard all around the pitch and we were perhaps a little unlucky deep in the 2nd half when, from a PC, a drag from Ben S ricocheted off the keeper into their post man's chest only for it to have been deemed not to have left the D from the rather distant umpire. Not all decisions go your way of course and not disheartened in any way, the boys kept the pressure on and came close to a winner shortly afterwards. The win however was just out of reach. A great game from both sides and thrilling to watch. Well done OCs, you should all be immensely pleased with your effort and performance.

U12 Boys v Wayfarers

Three of the U12 Boys teams played Wayfarers with an overall result of 7 draws and 5 losses. Each team played better with each game and all performed really well against a top opposition.

Latest team news...

A great morning of 7-a-side hockey against Wayfarers for our U12 Girls.

U12 Girls Oranges v Wayfarers

U12 Girls Blues v Wayfarers

Latest team news...

U12 Girls v Surbiton

The GU12s played their first ever 11 a side match vs Surbiton. In a game of 3 x 20 minutes periods we bossed the first but couldn't convert the pressure into goals. Surbiton took their chances in the second and third periods very well and ran out eventual 5-0 winners. The girls did so well to keep playing to the end and will have learnt a huge amount. We go again in 2 weeks vs Guildford!

U14 Girls Sealions v Merton

A round-robin 7-a-side tournament where the girls won one, lost one and had a fantastic morning of hockey!

U10 Girls Blues v Wayfarers

With a total of 12 teams, 90 girls and 36 matches it was a busy morning. Some great hockey and so much improvement from two weeks ago. Well done girls!
