# Match kit v training kit

Lots of players are choosing to wear their Cayman Islands promotional shirts for training which is great to see but please can we remind everyone these shirts are **not** a replacement for club shirts, which are required for matches.

## Girls match kit

Match shirt, navy skort (any),  
OCHC blue and orange socks

## Boys match kit

Match shirt, white shorts (any),  
OCHC blue and orange socks

All OCHC kit can be ordered online from [Serious Stuff](#) with password OCHC. For Juniors, please select the Junior match shirt (with Cayman Islands on the front) which is available in a wide range of sizes, including adult sizes. Free collection from the club is still available until half term.

## Bibs bibs bibs!

Please can we remind all players to bring their bib along to **every training session and match**. If you're new to the club and don't yet have a free OCHC bib, pop down to the hockey desk at OC's on Sunday 10am-12pm to collect one.

## Lost property

Any kit or clothing left at OCs at the end of Sunday is put into the container for safekeeping, please ask a coach to help you check. For Oaken Lane and Manor Road lost property, please check with your coaches.

## Face masks

All players from U12s upwards need their own face mask, which should be brought to training and matches. We have some stock at the hockey desk (OC's Sunday mornings 10am-12pm) or you can find them at good local sports shops or online. Our face mask policy can be found [here](#).
