Latest team news...

U12 Boys Blues v Wimbledon

Despite facing a tough opposition, the boys stayed positive and improved as the games went on. A special shout out to Arjan on his debut in goal following his first training session last week, well done!

Latest team news...

U14 Girls Orcas v Oxford Hawks

A great 2-0 away win at Oxford Hawks for the girls. They thoroughly deserved the result and are now through to the second round of the Tier 1 Plate competition.

U14 Girls Hammerheads v Wimbledon

The girls travelled to Wimbledon to play their second 11-a-side match as a team. We lost 4-0 however the girls defended immensely well in the first half and went into the half time break 0-0. The second half saw much more attacking play from the girls maintaining more possession in the Wimbledon half, getting close to scoring and also won a penalty corner. However unfortunately a few Wimbledon breaks saw us eventually concede. The girls kept positive and determined throughout and did OCs proud! Some real positives to take into our next match.....

Latest team news...

U14 Girls Sealions v Wimbledon

A fantastic effort from the U14s in their first full 11-a-side match as a team.

The first half saw relentless pressure from the opposition which, despite outstanding work from the defence and Elsie in goal, resulted in us conceding 3 early goals.

Some positional changes, a rousing team talk and some sugar (!) saw a different team emerge for the 2nd half. Some positive dribbling and passing resulted in a couple of well deserved penalty corners, Tallulah swiftly converting one with a powerful push. Final result 3-1 to Wimbledon but a great second half "win" for OCs. Onwards and upwards!

U16 Boys v Richmond

The boys hosted Richmond in a Tier 3 league match, OCs losing out 4-0 by the end. It was a fairly close affair in the first half but we were under pressure in the second. There was some good fight through and we played some great hockey at times. Well done boys and a big thank you to the U14 boys who stepped up to help out.
