U12 Boys Tigers v Old Kinstonians and Blackheath

The Tigers first took on a very strong Blackheath side, who were pushing hard from the first whistle. After a rather startling first 5 minutes, the boys picked up their heads and picked up the pace, building up their defence but thanks to some outstanding goals from Blackheath, they went into the second half 6-0. A half-time re-group and some fresh legs meant we finished the second half 1-0 down which was a huge improvement against a tough opposition. The boys' second game v OKs was more evenly matched, with the boys finding the space to attack, using more of the width of the pitch and a final score of 2-0. The boys did really well to keep their heads after that tough first half and their perseverance really shone through.

U14 Boys Oranges v Hampstead & Westminster

The U14 oranges played a very decent Hampstead & Westminster team. We started very well, with high intensity and were playing some really decent hockey and went 1-0 up. They came back into the game though and it was a very tense affair. We ended up losing 4-2 but H&W score with the very last touch of the game when we had been pushing for an equaliser. On a different day we would definitely have got a result from the game. The boys should be proud of how they acquitted themselves and as individuals, and as a team, they are making big improvements each week. If we do that next week, I have no doubt that we will get a win!

U10 Girls v Teddington

The U10 girls did fantastically well, with the A team winning 5-2 and the B's dispatching them 9-0. Fabulous play by all, great attitudes and some real burgeoning team spirit. Lots of fun!

U12 Girls v Teddington

Two teams played Teddington to get some much needed 7 aside practice in before the London cup/plate competitions. The A team lost 2-4 but the B team won 8-2. Lots to work on but a great hit out for the girls!

U14 Girls Orcas v Spencer

The Orcas lost 2-1 in a very close away match against Spencer. The team started off a little lethargic but found their pace in the second half. They could have won 3-2 in the last 10 minutes, missing the goal by a foot on one side and then hitting the post on the other. Congratulations to Hannah for scoring the goal on her birthday!
