

OCHC JUNIORS NEWSLETTER

The latest news and updates from Old Cranleighan Hockey Club

Our U6s, U7s and U8s getting stuck in on Sunday

IN THIS ISSUE

- KIT
- NEW CAYMAN ISLAND SHIRT OFFER
- ASTROS RECYCLING

Getting back in the groove

It's a short newsletter this week, with all age groups settling back into training before matches start for the older age groups. A reminder that midweek training is available for all U10 upwards players, you can find the timetable [here](#) and book through your LoveAdmin account where you'll find midweek training under 'extras'. And don't forget to bring your bib along to training!

It's important every player and coach checks in to every training session via the Teamo app. The check in option goes live 3 hours before the training session starts. If you need any help, please ask a coach on Sunday or [email us](#)

IMPORTANT The U12 Girls and Goalkeepers move location this week, with U12 Girls Orange at Manor Road and U12 Girls Blue at OCs. Goalkeepers move to Oaken Lane. Timings remain the same.

Hockey desk 10am-12pm Sundays @ OCHC

- Kit samples to check sizing (for online ordering)
- Online kit order collection (select club collection at checkout)
- Astro donations/purchases
- Cayman Islands shirt collection (summer order)

OCHC Kit

**FREE DELIVERY TO THE CLUB
EXTENDED TO HALF TERM**

When ordering a shirt, please ensure you select the **Junior shirt with the Cayman Islands sponsorship on the front**, there is a wide range of sizes including adult sizes. Please note, shirt numbers are determined by the club.

We still have a number of face masks in stock for purchase on Sunday mornings at OCs. Please remember all U12s and above will require a face mask this season in line with club policy. We also have a limited number of large Oregon navy and orange stick bags available at £35.

Any old astros?

Thanks to everyone who has donated astros, we now have a good selection of sizes available, all available for a donation of just £5 (which we'll use to re-stock our Junior balls). And if you missed it last week, bring down your child's old astros (clean and in a good state of repair please) and drop them off at the hockey desk.

Cayman Islands shirt offer

We've seen lots of Juniors training in the fabulous Cayman Islands shirts ordered through our sponsor's promotion earlier in the summer.

We're delighted to confirm that for those new to the club and those that missed out, **there's one more chance to place an order**. Heavily subsidised by Cayman Islands, these shirts are exclusively available to OCHC members and their families and at just £10 for the crew neck training shirt, they're a great addition to your kit drawer. Order by 1st October by visiting Cayman Islands (for delivery mid-Nov)
