U12 Girls showing their support for Ukraine

Thank you!

What a fantastic final Sunday! It's been quite a season, from our younger players picking up a stick for the first time, the U10s playing at Lee Valley and the U16s competing in our first indoor hockey tournament, through to the great progress we've seen across all age groups, week in week out, at training and when competing in all of the various leagues and tournaments. And none of this would have been possible without our amazing team of Lead Coaches, Volunteer Coaches, Parent Volunteers and Umpires. Our heartfelt thanks to everyone who has played a role in making the season happen.

With lots of hockey to offer before the new season starts through Easter camps, Summer Hockey and Summer camps, we hope to see many of you at OCs over the summer.

And thank you to everyone who supported our Ukraine DEC fundraising on Sunday. It was wonderful seeing Juniors swapping their blue and orange for blue and yellow. We'll send out an update with our final fundraising total once finalised.

Latest team news...

U14 Boys Blues v Woking

The last match of the 21/22 season for the BU14s Blues culminated with a very well deserved away 1:2 win against Woking. Cyrus R made his debut for OCs, taking the game pressure in his stride. Player of the Match went to Oscar S, who scored both goals for the Blues - putting his season tally to 10. However, the game is a team sport and all the boys deserve massive credit for the effort and perseverance they put into every match. Well done and thank you boys for choosing to play at OCs. We are lucky to have you representing the club.

U14 Girls Blues

We have really enjoyed our U14 Girls Blues season and I speak for both coaches and girls when I say we'll all miss those whose age groups will be different next season. It's been awesome getting to know everyone! Thanks to all the coaches who have helped with training, matches and umpiring along the way! Have a good summer everyone!
