*U10 Girls Oranges and Blues full of smiles after playing Wimbledon*

U12 Girls Blues had a great time at Wimbledon, four teams, lots of good results, lots of smiles and some great determination and patterns of play developing nicely!

*U16 Girls Liberators won 2-1*

## **Boys U10 v Wimbledon**

The boys delighted all the coaches with the quality of hockey they played on a sunny morning in Wimbledon. It was great to see them putting lovely passing moves together, scoring goals and tackling hard. In total, the two teams won 3, drew 3 and narrowly lost 2. Well done boys. (Sorry no photo, coaches are a bit rusty!!!)

## U12 Boys v Wimbledon

Some great results for all 3 sides (Oranges, Blues & Whites) and for some players, their first experience of competitive hockey, having only started a few weeks ago!! Well done all!

## U16 Boys Oranges v Bromley & Beckenham

Tough day at the office today for the u16 oranges. The oppo came down from Tier 1 for this year and also attend the same school. We were a little slow to get going and before we know it we were 2-0 down, we were unlucky to concede a third just before half time. In the

second half we played a lot better and started to cope with the speed of play. We were unlucky not to score but the Brom Bec added a couple more to the score sheet. A good run by Riley setting up Rudy, only for his shot to be saved off the line. I'm confident that they will be the best team we play against this season and we had some positives. Fraser had a great game in goal, Bobby worked his socks off in midfield and it was great to have Freddie back at the club performing really well. I'm sure we will dust ourselves off and go again!
